Our focus is on you!

Assisted living, rehabilitation & skilled nursing community

Enhancement, Experience, Excellence.

At Lincoln Park Manor, our total focus is on you. We are dedicated to the mission of enhancing life and providing unparalleled personal service.

Lincoln Park Manor offers 60 specialized skilled nursing units approved by Medicare and many private insurance plans as well as 30 assisted living studios. Both are fully licensed by the Ohio Department of Health.

We invite you to take an unhurried tour of our campus and sense the warmth and experience of our staff. Ask us as many questions as you like. You will find that Lincoln Park Manor is more than accommodations, activities and nursing care. It is a 24/7 philosophy of ongoing encouragement and a service attitude in everything we do. It's that pride in caring, that depth of experience and that level of total focus that truly sets Lincoln Park Manor apart.

Assisted Living and Respite Care

Not everyone needs skilled nursing services... and that is why our assisted living unit provides 24-hour "as needed" assistance. Our respite care is convenient for vacationing families whose loved one require short- or long-term stays.

- Full-time supervisor to monitor healthcare
- Scheduled activities and events
- Fine dining and customized diets
- Hair salon
- Lounges, parlors and patios for visitors and family gatherings
- Library, aviary and computer with internet accessibility
- Skilled and restorative therapy services when you need them
- Pet visits
- Priority access to Skilled Nursing and Rehab Services
- Housekeeping and Laundry Services

Rehabilitation Services

Our therapy team makes certain that your rehabilitation goals are personalized. Consistent staff offers continuity of treatment throughout your stay.

Physical Therapy:

Manages our residents following illness, injury or surgery. The results improve balance, strength and range of motion. Various therapeutic techniques assist the resident in regaining functionality ability.

Occupational Therapy:

Treats residents to improve their fine motor skills and coordination. The results are improvement in daily living and self-care skills.

Speech Therapy:

Evaluates and treats residents with speech, language, hearing or swallowing disorders, crucial for stroke recovery and neurological impairment.

Skilled Nursing

As soon as a resident is admitted to our healthcare center, an experienced multi-disciplinary team coordinates efforts to ensure optimum delivery of healthcare.

Our accessible team includes:

- Medical Director, Board Certified in Internal Medicine
- Social Services Director
- Activities Director
- Registered Dietitian
- Therapy Director
- Wound Care Nurse
- Hospice Specialist
- Psychologist
